Minimal Beauty, Supreme Detail

Freory training chair integrates ergonomics and minimalist aesthetics. Its streamlined one-piece frame enhances structural stability, and its soft curves fit the body's natural posture for long-lasting comfort. Every detail, from material selection to finishing, is carefully considered to add unique texture and modern taste to versatile meeting spaces.

Configure Freely, Collaborate Instantly

Freory offers practical support for collaboration in various scenarios, whether it's small-group discussions in a training room or impromptu brainstorming sessions. It enables teams to gather quickly and easily, flexibly meeting the demands of dynamic tasks.

“ Design is not just what it looks like & feels like. Design is how it works.”

Steve Jobs

”

“

of design is letting
design function

Micha Commeren

”

Adapts Flexibly, Moves Freely

Freory excels in flexible adaptation and delivers comfortable experience. It is equipped with smooth, silent casters for seamless movement. Available in two frame colors and a range of soft hues, it incorporates subtle natural inspiration, integrating aesthetic design with versatile scenarios and easily creating a comfortable, welcoming space.

“ Beauty is the
harmony of function
and form.

Alvar Aalto

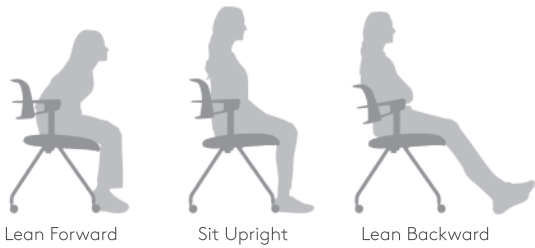

”

Designed for People, Driven by Purpose

Freory is particularly well-suited for conferencing environments that demand dynamic exchange of ideas and information. Its ergonomic design thoughtfully adapts to posture changes throughout extended meetings, ensuring comfort and sustained engagement.

Product Highlight

The seat and backrest work in linkage to automatically adapt to your posture changes. It provides precise support whether you lean forward to work or recline to relax, allowing smooth switching between different task modes.

We are stackable

Designed for ease of use, the chairs support horizontal stacking for convenient storage, meeting usage needs in various scenarios.
